

STORAGE

The mountain of paperwork you keep meaning to file, the plant you always forget to water or even that tin of soup you keep promising yourself to eat, there's always a reason for needing more storage. And now, with our new One Storage solution, you can tailor it to suit any office.

PEDESTALS

A selection of storage solutions ranging from fixed pedestals to filing cabinets. Fully lockable, with wooden inners and metal/accuride runners, this storage is both stylish and practical. Available in the same range of colour finishes as our Start, One and Bench workstations.
