

# Contour stacking benches

Offering an alternative method of seating to traditional chairs, our stacking benches are designed to partner Contour folding tables (see page 6 - 7) but work equally well on their own.

With a strong but lightweight aluminium frame and legs, they are extremely robust and are available in a choice of three heights to complement the matching folding table.

Please note: these benches are delivered folded for transportation purposes but should be stacked for storage.

- Lightweight
- Stack for storage
- Strong and robust

For bench skates see page 34
